Dear Pat,

Still waiting for an answer from you. I am not aware of any legal grounds for the governor's office to deny my request for credentials. Please either confirm that you have approved my credentials to cover Governor Reynolds and Lieutenant Governor Gregg for Bleeding Heartland, or explain why you are rejecting my request.

Yours,

Laura

Hi Pat,

Circling back on this. Please let me know whether A) the governor's office has approved my request to be credentialed, B) you need further information from me to process my request, or C) the governor's office is rejecting my request to be credentialed.

Thanks,

Laura

Hello Pat,

I know it's been a very busy week--and exciting morning!--but I wanted to follow up on this. I filled out a sheet with my contact info in the office yesterday and left it with the receptionist.

Please let me know whether you need any other information to process my request for credentials to cover events with either Governor Reynolds or Lieutenant Governor Gregg.

Thanks,

Laura

Hello Pat,

I was looking on the governor's website for the application for press credentials and did not find one. When you have a moment, please send me any form that I need to fill out.

Normally I watch the governor's press conferences online, but I may want to attend some of them in person this year.

Thank you in advance.
