Hi Laurie,

I'm leaving the Ethics Board to pursue other opportunities. I expect to be here until sometime in December. My last day has not been finalized. I will provide you with a response to your records request as soon as I can. We are very busy today concerning last minute questions about tomorrow's election.

Hello Megan,

I just became aware of this job listing:

<https://www.governmentjobs.com/careers/iowa/jobs/2620137/executive-director>

I'm seeking comment on why you are leaving your current position, when you expect to stop working at IECDB, and (if you have another job lined up) what is the nature of that position.

Also, under Iowa Code Chapter 22 I'm requesting electronic copies of the following public records:

1. Correspondence between Megan Tooker and Iowa Ethics and Campaign Disclosure Board members regarding the end of your employment at IECDB. *see attached*
2. Correspondence between Megan Tooker and Governor Kim Reynolds or staff in the Iowa governor's office regarding a change in leadership at the IECDB (including but not limited to a resignation letter). *none*
3. Correspondence between Megan Tooker and IECDB members, or among IECDB members, regarding a job description or job listing for the IECDB executive director position. *see attached*

Correspondence includes mailed letters, e-mails, hand-delivered memos or letters, faxed letters, text messages, messages on social media platforms such as Facebook or Twitter, and messages on apps such as Signal or WhatsApp, including from private accounts or cell phones if the content of the messages is related to government business.

Thanks,

Laurie

I don't have a definite last day set but I anticipate it will be mid-December. The "second" attorney position is not posted yet. I just learned from DAS we can post it and state that we will consider December graduates. I think we'll get it posted soon. We have to go through a few hoops to set the classification for the second attorney position and create a PDQ. I don't recall what PDQ stands for but it basically sets out the job responsibilities. DAS gets to make the final call on whether the classification is correct based on the PDQ and then Dept of Management has to sign a hiring justification to allow us to fill the position.
