Hi Steve.

The M5 numbers for these two reclassifications are 34-6108 and 34-6109.

Hi Lorraine,

We have just added a new classification, 02431 - Deputy State Epidemiologist, which will be applicable to the position currently held by Ann Garvey. Can you please write an M-5 to reclassify this position into this new job class? On the reclassification P-1, my understanding from DAS Interim Director Paul Trombino is that Dr. Pedati would like Dr. Garvey's pay to be taken to the maximum of the new job class (you can certainly confirm that with Dr. Pedati if you'd like).

Also, can you please write an M-5 to change Dr. Pedati's class from Physician to Physician Supervisor? Both classes are the same pay grade, so this reclassification would be considered a lateral transfer.

Both of these M-5s can be effective for the 8/7/20 pay period.

Thanks for your help, and please let me know if you have any questions.
