## PRODUCTION DETAILS

---

Project title

Domo - Test Iowa Customer Story

Description of project

Domo was a technology partner involved in Iowa deploying their Test Iowa initiative. This project will capture the testimonial from the Epidemiologist to showcase their experience and processes throughout.

*A full script, treatment storyboards or similar materials may be requested.*

Will the University of Iowa campus be recognizable in the final product?

No

Will any UI indicia (name, marks, signature colors & images, prominent individuals and locations, and athletic uniforms) be used?

No

How is the film/production to be used and/or distributed:

Domo and Silicon Slopes (both technology partners in the test Iowa initiative) will use the film to showcase the product/solution. The Iowa government may potentially use the film/footage to showcase their successful efforts in implementing the solution and reacting to Covid-19 demands.

Potential air or release date, if known

08/10/2020

Will you involve any UI students or employees?

Yes

Please explain how students or employees will be involved, including whether you plan to first seek and obtain their permission to be involved.

We will be interviewing/filming Michael Pentella, PhD, Epidemiology.
