Directors,

Your agencies have received various allocations from the Coronavirus Relief Fund (CRF) since March. IEDA/IFA has put together a weekly tacker (attached) that they send to update the Governor. Please put together something similar for your respected agencies and feel free to add any metrics you wish to the "Iowans Assisted" column. The Governor is in the process of reallocating the remaining funds and this will help in that endeavor.

Thank you,

Joel

Joel Anderson | Policy Advisor
