Hello Michael,

Under Iowa Code Chapter 22 I request the following public records:

1. Copies of all written correspondence from March 8, 2021 to the present sent to Governor Kim Reynolds or to any staff in the governor's office regarding Senate File 567. For search terms you can use "Senate File 567 or "SF567" or "SF 567" or "mortgage bankers" or "mortgage banker."

Written correspondence includes but is not limited to emails, mailed or hand-delivered letters, internal memos, text messages via cell phone or Apple Watch or iMessage service, and direct messages sent through apps or social media platforms.

2. Copies of all communication between staff in the governor's office and members of the Iowa House or Senate, or legislative staff, regarding Senate File 567. Please use the same search terms as above.

3. Copies of all memos or written communication internally circulated within the governor's office from March 8, 2021 to the present regarding Senate File 567. Please use the same search terms. This could include any records with notes on any phone calls the office received urging the governor to sign or veto the bill.

I am aware of your office charging policy.

To reduce printing and photocopying costs, and to facilitate social distancing, I request that these records be provided to me in electronic format and sent via email.

Thank you in advance.

Yours,

Laura
