Hi Laura,

As I travel our community, I hear from lowans who are concerned about the chaos in Washington, D.C. impacting their earned benefits. **I am 100% committed to protecting your Social Security and Medicare benefits.**

I'm not just saying that either – I've been working in Congress to ensure that those protections go beyond just talk. Earlier this year, I introduced bipartisan legislation to ensure your earned benefits, along with veterans' benefits and military pay, are protected.

Bottomline: We can't let the so-called representatives in Washington, many of whom are more focused on their five minutes of fame rather than getting work done, use your earned benefits as tokens in a political game. I'll keep fighting on your behalf.

As always, please reach out to our [offices](#) with any concerns, comments, or requests. Please also consider signing up for our [weekly newsletter](#) to get more updates on news relevant to our community.

In Service,

Zach Nunn
