Hi Laura,

Last week, the world watched in horror as Iranian-backed Hamas launched barbaric attacks against Israel. This unprecedented act of war by Hamas against Israel has resulted in thousands of civilians killed, injured, or taken hostage, including Americans. The U.S. cannot stand idly by and must respond with unwavering strength and support for our ally.

CONGRESSMAN

ZACH NUNN

PROUDLY REPRESENTING THE IOWA 3RD DISTRICT

UNWAVERING SUPPORT FOR ISRAEL

- Assisting Iowans escaping danger in Israel
- Fighting Iran's funding of Hamas
- Holding Hamas accountable for barbaric attacks
- Introducing legislation for increased aid to Israel
- Leading the U.S. response

I've been leading the charge in Congress to respond to these deadly acts of terror. Last week, I introduced a [bipartisan resolution](#) to condemn this Iranian-backed terrorist attack, hold Hamas accountable, and reinforce that the United States stands ready to consider additional assistance to support Israel in defending her sovereignty. Hundreds of U.S. citizens were trapped in Israel seeking evacuation, and [I am proud to have assisted Iowans in escaping dangerous conditions](#) in Israel and they have now made a safe return home.

Today, I took another step forward to combat acts of global terrorism and introduced the *Revoke Iranian Funding Act* to permanently freeze \$6 billion in Iranian assets and increase transparency to prevent Iran from perpetrating

future terrorist attacks against Israel or any other nation.

REP. ZACH NUNN INTRODUCES

NEW BILL

REVOKE IRANIAN FUNDING ACT

- PREVENTS IRAN FROM USING \$6 BILLION TO FINANCE MORE TERRORISM
- HOLDS IRAN ACCOUNTABLE FOR THEIR SUPPORT OF TERRORISM
- SHOWS UNWAVERING SUPPORT FOR ISRAEL FROM THE U.S.

Bottomline: The U.S. must be unequivocal in our support of Israel. I'll keep fighting to ensure we fully support our strongest ally in the Middle East.
