Hi Laura,

As the last few weeks have highlighted, the status quo in D.C. is critically broken, but I refuse to give up.

I'm a glass half full person, and I'm on a mission to bring a little Iowa commonsense to the battles that matter – like cutting wasteful spending, protecting the critical programs Iowans rely on, reining in out-of-control inflation, and securing our Southern border.

I also know that the most important part of my job is listening to Iowans. After all, that's who I'm here to serve. Will you take just one minute to give me an update on your top priorities?

I believe we have an obligation to work together on behalf of the American people, and I'll keep you updated on this mission moving forward.

As always, please reach out to our [offices](#) with any concerns, comments, or requests. Please also consider signing up for our [weekly newsletter](#) to get more updates on news relevant to our community.

In Service,

Zach Nunn
