I will be traveling next week in the Pacific Northwest, but we can make a time to talk.

Probably between 8:00 AM and 9:00 AM Pacific Time, some morning next week would be best.

If that does not work for you, we can try to find another time.

So, between 8-9 AM PT, you choose the day and let me know. Or suggest a different time.

I am sorry that more people are not taking advantage of the option to mediate, but with only 11 cases, and doing them via Zoom (or other technology), I would be happy to do them for you. And I think that makes more sense that trying to train a bunch of new mediators.

Thank you for your interest and I look forward to chatting next week.

Hi Frank,

I would like to schedule a time to talk with you about an idea. I have 11 landowners who are interested in mediation - 2 of those have overlapping parcels. A few of those landowners live out of state. If possible, we would like to hire you to perform these mediations remotely. I would like to discuss timing, cost, etc., for this idea.

 **Mediation Requests**

Sincerely,

Carla Pope
