Laurie, we had to reach out right away:

A new poll shows Jackie locked in a DEAD HEAT in the Iowa Senate primary.

This confirms what we've known all along: this team has what it takes to win this open seat for lowans and deliver for our community.

We have incredible momentum in our race right now, but with over a year to go until the election, we can't afford to take our foot off the gas. Will you rush a donation now to help us build on this moment and ensure lowans know about Jackie's vision for our state?

Since the start of this campaign, Jackie's been crisscrossing the state to meet with as many lowans as possible and share her mission to lower everyday costs, build the care economy, and fight to end our mental health crisis.

Now, this new poll shows just how much that message has resonated with lowans, and it reaffirms the strength of our grassroots movement.

But it's clear this race is going to be close. So we need to ensure we have the resources to continue to get Jackie's message out to voters

and win this important race. If you're with us, please rush a donation now to help get the job done in Iowa.

Thanks,

Jackie Norris HQ
