## **Border Security**

[Sound of boots and helicopter fades under patriotic tone]

MILLER-MEEKS:

I’m Congresswoman Mariannette Miller-Meeks, a 24-year Army Veteran working with President Trump to Secure the border and put Iowa’s safety first.

According to the U.S Customs and Border Protection, Under President Trump’s leadership, we’ve seen the lowest border crossings in more than 50 years. Together, we ended catch and release, are deporting violent criminals, and have made the largest investment in border security in our nation’s history.

Because when we secure our border, we secure our future. I’m proud to stand with President Trump to protect our communities, our families, and the America we love.
