## Transcript

Hi, it's Congressman Randy Feenstra. In 2025, I worked with President Trump to advance America First policies and defend our conservative values. We delivered the largest tax cuts for working families in U.S. history, completely securing our border and unleashed American energy production. We also secured \$50 billion in rural health care, made crop insurance more affordable for our farmers, and invested in our main streets. Now, in 2026, I'll keep working with President Trump to deliver for our families, farmers, and small businesses. We'll keep deadly drugs out of Iowa, stop China from buying Iowa farmland, and stand with our veterans and law enforcement. This is Congressman Randy Feenstra, and that's my pledge to you. If you or someone you know needs help with a federal agency, please contact our office online at [feenstra.house.gov](https://feenstra.house.gov).

Paid for by official funds, authorized by the House of Representatives.
