**STATE AUDITOR ROB SAND RELEASES STATEMENT ON IOWA SUPREME COURT  
RULING IN CITY OF DAVENPORT VS OFFICE OF AUDITOR OF STATE OF IOWA**

FOR IMMEDIATE RELEASE

*“This decision, guided in part by the legislature and Governor’s recent pro-corruption law, means a city can hide \$2 million from taxpayers just because they kept an attorney in the room. We respect the Court’s ruling, but not the corruption and secrecy the insiders wrote into the law.”*
