Laura,

Our Office did not release the ISU Report of Recommendations months ago because it was not yet ready to be released. Other reports of recommendation have recently been released, and some are pending. As you demonstrated in your email with past ISU release dates, the release date of reports can vary based on the time required to complete the report. We have an obligation to the taxpayers to take the time necessary to issue an accurate report.

Our Office released the ISU Report of Recommendations in a manner consistent with our standard practice of releasing reports when they are complete.

Mary Mosiman, CPA
Iowa Auditor of State
