Please give me the contact information of the owners or have them reach out to me today. The State was not aware that GMT went over local government to put in this request.

The bigger matter with this request is that the Bremer County Emergency Manager put in a request over 3 weeks ago that our county get all long term care residents and essential healthcare workers in our County tested and we've yet to get a response back on that, but a multi-million dollar corporation like GMT puts in a request and gets approved in a day when said organization has only had one positive case.

I called asking for you last week when we found out we had a positive case on Monday. I was told you were in a meeting. I was put into another voicemail. I believe it was a Kate (don't quote me on that name.) that called me back. I requested testing and was told that we would most likely be denied with only one case. Our owners contacted the governor directly and she authorized the testing for us.

I am waiting on updates on which day they will be here this week – I think its later in the week. Will someone in your office want to attend?

Hi Jamie,

I just received a call from the State that GMT put in a request for mass testing. Both myself and the Bremer County Emergency Manager would like to know why neither of our organizations were contacted or given a heads up regarding this request? Also, have you had 3 or more employees test positive?

Subject: GMT Strike Team-Waverly, IA

Here is the summary information for the strike team at GMT in Waverly, IA:

Location:

GMT, 2116 E Bremer Ave.

Site recon day will be 5/22*

IANG and GMT: Please connect with IDPH POC Margot McComas to coordinate a time. 515-350-8671

*Decision needs to be made to potentially do it the same day to prevent staff from having to drive up to Waverly twice from the Des Moines Metro area

IDPH Representative/Health Professional Lead: Margot McComas (515-350-8671 or cc'd on this email)

IANG Lead: TBD (please forward this email to the IANG Lead)

Point of Contact at Testing Site is Jamie Kramer (319-610-5523 or cc'd on this email)

Testing date will be May 22

Time: 1100 Staging 1200 to 1600 for Testing**

**This testing time will capture 1st and 2nd shift. We will need to have alternate arrangements for 3rd shift if they cannot make that time frame

We will have approximately 5-6 stations with health care professionals testing up to 200

The facility has an extra large conference room to be used. The facility will also provide tables and chairs. Employees speak English. Stericycle will be needed for sharps drop off and pick up.

Minimal IANG will be needed to assist with flow and security, picking up SHL supplies, and dropping supplies at SHL after testing is completed

Our planning coordination contact is Jamie Kramer (319-610-5523 or cc'd on this email).

SHL-she will be your contact for laboratory results..

Occupational Healthcare Provider is Allen Occupational Health, 7024 Nordic Dr., Cedar Falls, IA 50613

For Public Information inquiries or requests please send to Pat Garret in the Governor's Office (515-802-0986 or cc'd on this email)

***My WebEOC is not currently working, so I will place this entry into WebEOC as soon as I can. Thanks for understanding!
